

## ANDREW M. BROCKWAY AIA

PRINCIPAL

An alumnus of the University of Michigan College of Architecture and Urban Planning, Mr. Brockway also holds a B.A. in Economics from Middlebury College. He is a registered architect in Vermont, Massachusetts, and New Mexico and is NCARB certified. He has twenty years of experience in the design and construction of academic and institutional buildings including many technically complex renovations.

At Michigan, he was a teaching assistant in Architectural History and an instructor in the Career Discovery program at the College of Architecture and Urban Planning (CAUP). He also edited and served as managing editor of Dimensions, the magazine of the CAUP.
